## Full Stack Developer

✉ stevenyuen711@gmail.com 📍 Hong Kong

### Profile

An experienced Full Stack Developer with a proven track record of developing and maintaining user-friendly front-ends, integrating them with back-end code, frameworks, and APIs. Proficient in utilizing various CLI tools and configuration GUIs to build exceptional websites, I possess skills in creating informative documentation and reports, collaborating with key stakeholders, and leading from inception to production. Additionally, I have experience in diagnosing and fixing functionality issues, suggesting improvements, and working collaboratively with client service teams.

### Professional Experience

#### Bentley Systems, Full Stack Developer

Mar 2021 – May 2023 | Exton, United States

- Developed and maintained 20+ front-ends focused on user experience.
- Wrote front-end code, back-end code, integrated 4+ with frameworks and APIs, and utilized multiple CLI tools and configuration GUI's.
